A Tree Instead

One tree... one lifetime of memories

A tree will be planted in honor of each one of your guests honoring their presence at the wedding. Each guest will receive **A Tree Instead** compliment certificate in your behalf, sharing with them your happiness. The tree will serve as a testament to the commitment of the couple to live in harmony with the environment and as a symbol of long lasting love. We will use the wedding theme for the favors. When you dedicate a tree, you also help the environment.
